PET LIABILITY WAIVER/USE OF DOG PARK  
Please Initial and Sign

\_\_\_\_\_ I understand that I am responsible for my pets safety and behavior. I will keep my pet on a leash at all times while outdoors unless in the Dog Park. The Dog Park is the only place my furry friend can run and play freely while at this resort.

\_\_\_\_\_ I understand that **I AM PERMITTED** to leave my dog/s unattended in the Dog Park as long as I am at my RV Site - Fire Pit - Play Center. I will monitor and check on my 4 legged kid/s frequently.

I have full understanding that **I AM NOT PERMITTED** to leave Resort Property and leave my pet in the park or chained up at my site. The Dog Park is for my pets to have fun – run and play for as long as they want but I am not allowed to use this area as a Kennel.

\_\_\_\_\_ I understand that **DIGGING IS NOT PERMITTED!** If my Dog/s like to dig then I will not leave my furry family members unattended in the Dog Park. If my pup/s are in the Dog Park or anywhere within the Resort Premises, I will immediately stop my pup/s from digging and repair any area that has been disrupted.

\_\_\_\_\_ I am a Responsible Pet Owner and Guest at this Resort -therefore- I will make sure I clean up after my pet/s no matter where we are in this Resort and that I will reimburse MCRV for any damages that my pet may cause if I am unable to repair/replace it on my own. I fully understand that I am completely and solely responsible for my pet/s behaviors, activities and well being- and that MCRV Resort is not responsible in any way to clean up after my pet – repair damages caused by my pet or liable for any altercations/injuries from other dogs when using the Dog Park.

\_\_\_\_\_ I understand that a Pooper Scooper and Receptacle is provided in both the Large and Small sides of the Dog Park so I have No Excuse to not clean up. I will walk and visually inspect the area where my pet/s have been playing to insure that I am not leaving anything for the other guests to clean up before their own furry babies get to play.

We have Two (2) Sections to our Dog Park - One section is larger than the other. All of our guests are free to choose which section of the dog park they want to let their dogs play in but, MCRV Resort highly recommends that the Large Section is for Large Dogs only - and the Smaller Section is for Small Dogs only.
